

Electronic Transfer of Donations:

Many of our patrons have inquired about having gifts electronically transferred from their bank accounts to Healing Hands International.

The benefits of electronic transfer are:

- No need to mail gifts to Healing Hands. At specific frequencies (i.e.: monthly, quarterly or annually) funds will be automatically transferred from your checking account to Healing Hands.
- One less check to remember to write each month, quarter or year.

Initiating this process is simple. Print and complete the form below and attach a voided (or copied) check from the account from which you want to transfer funds.
