

How to Make a Draw String Bag

(Speed Method--finished bag is approx 10" x 12")

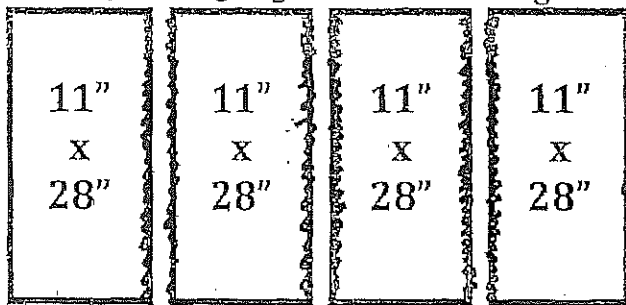

Step One:

Start with a 28" x 45"
piece of cotton fabric.
Serge or zig zag both long raw edges

Step Two:

Cut into 4 equal pieces.
Serge or zig zag all of the raw edges

Step Three:

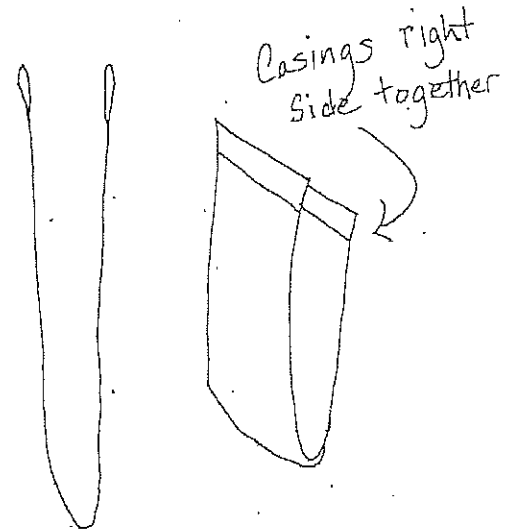

Turn each short end wrong sides in about
1 1/4" for the drawstring casings.
Stitch the casings down.

1 1/4" fold over

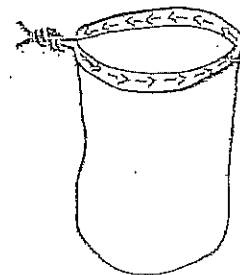

Step Four:

Fold in half with right sides together. Sew
up the sides stopping **before** the casing.
Backstitch ends.

Step Five:

Turn right side out and thread a
drawstring through one casing and back
through the other. Make sure to leave
about 1 1/2- 2 inches at the end.
Tie the ends.

Repeat going the opposite directions with
the second drawstring.
