

Hygiene Bag

Assemble hygiene bags in two-gallon sealed plastic bags with the following items:

- Bar of Soap
- Hand Towel- x3
- Washcloth
- Toothpaste -Full size
- Toothbrush
- Shampoo
- Deodorant - Non aerosol
- Brush/Comb
- Flip Flops - Any size
- 1 Box band-aids in assorted sizes

When a disaster strikes, hygiene bags and family buckets are needed on-hand to be packed and shipped immediately. Groups can prepare these and send them to our facility to be available for the next disaster. **For any questions on how to prepare these kits, please contact Nancy Markwood (nmarkwood@hhi.org).**
