

Pencil Bag Instructions

Supplies:

Sewing machine
Zipper foot
Basic sewing supplies
9" zipper
9x10 piece of fabric
Thread to match
Large safety pin

Directions:

1. Cut fabric pieces 9x 10. The length of the long side (10 inches) should be equal to the length of the zipper.
2. Place the zipper on the top edge of the fabric with right sides together.
With zipper foot attached, sew along the top edge.
3. Flip the sewn side of the zipper right side up.
4. Pull the bottom 10" of the fabric up to the unsewn side of the zipper so that right sides of the fabric are together.
5. Sew along the side of the zipper.
6. Open the zipper half way.
7. Pinch the zipper so that the zipper is in the middle of the top edge.
8. Sew the sides of the pouch. Backstitch on the top and the bottom of both seams.
9. Turn the bag through the opening in the zipper.
